One of my descriptive words was
floral.

Synonyms for floral include these:

- ◆ blooming
- ◆ blossoming
- ◆ flower-patterned
- ◆ sylvan
- ◆ verdant

I chose *verdant*, which means

- ◆ green in tint or color <*verdant* grass>
- ◆ green with growing plants <*verdant* fields>

Model Sentence #1

Drab in winter, then suddenly sodden with alpine runoff, the region turns dazzlingly verdant in spring.

-- Patricia Albers, *Shadows, Fire, Snow*

Model Sentence #2

Do you know that charming part of our country which has been called the garden of France - that spot where, amid **verdant** plains watered by wide streams, one inhales the purest air of heaven?

-- Alfred de Vigny

My Sentence

- ◆ Even a sandy dune can be verdant with wildflowers.
